

NINEBARK

Amber Jubilee™

Physocarpus opulifolius 'Jefam' PP 23,177

5-6' x 4'

Full Sun

Zone 2

Compact growth habit that is less prone to suckering. Button-like whitish-pink flowers in June. It is most noted for its foliage color: glowing tones of yellow, orange & gold, followed by purple and red fall color. Does best in well-drained soil.

Dart's Gold

Physocarpus opulifolius 'Dart's Gold'

4-5' x 4-5'

Full Sun

Zone 2

More refined, compact growing form with deeply lobed golden foliage that takes on a golden hue with a bronze tint in fall. Dense clusters of small, white flowers adorn the branches in spring and are followed by red fruit. Tolerated dry, alkaline soil.

Diablo®

Physocarpus opulifolius 'Monlo' PP 11,211

8-10' x 8-10'

Full Sun

Zone 3

Intense reddish-purple foliage on upright, arching branches. Clusters of creamy-white flowers during the summer add contrast. This versatile shrub makes a great dense hedge or screen. Plant in full sun for best foliage color. Leaves tend to turn more green when grown in shadier areas. Tolerant of harsh conditions and acidic soils.

Fireside®

Physocarpus opulifolius 'UMNHarpell' PP 30,792

5-7' x 4-6'

Full Sun

Zone 3

Upright, rounded growth habit with new foliage emerging red and maturing to deep red-purple. Pinkish-white flowers stand out against the dark leaves in the spring. Fall color is deep purple. Very adaptable to both wet or dry conditions.

Lemon Candy

Physocarpus opulifolius 'Podaras3' PP 22,362

3' x 3'

Full Sun

Zone 3

Dwarf, compact form with yellow-gold foliage. Charming white blooms appear in June on upright, bushy branches. This tough and durable shrub is cold hardy and disease resistant, as well as, heat and drought tolerant. Grows best in well-drained soil.

Little Devil™

Physocarpus opulifolius 'Donna May' PP 22,634

5-6' x 4-5'

Full Sun

Zone 3

White-pink, button-like flowers in June adorn the upright spreading branches and fine textured, dark foliage. Stems glow red and leaves turn green on the interior of the plant. It is low maintenance, grows in wet or dry soil and is powdery mildew resistant.
