

BRUNNERA (FALSE FORGET-ME-NOT)

Location: Zone 4, part sun to shade

Shape: Mounded

Foliage: Heart shaped, usually green with silver

Flowers: Spring

Notes: Cousins to the Forget-Me-Nots, Brunnera makes for an attractive and versatile groundcover, particularly under shrubs. Clumps may be easily divided in early fall.

Jack Frost

Brunnera macrophylla 'Jack Frost' PP 13,859

12-15" x 24"

Part sun/shade

Zone 4

Heart shaped silver leaves with green venation and a mounded growth habit. Small blue flowers bloom April to June. Versatile groundcover.
