

HONEYSUCKLE

Emerald Mound

Lonicera xylosteum 'Emerald Mound'

2-3' x 3-5'

Sun/part shade

Zone 4

This tidy, mounded shrub is one of the earliest to leaf out in the spring. It has clean blue-green foliage, small yellow flowers in spring and red berries in fall. The fragrant flowers attract pollinators and the birds love the berries. Easy to grow and drought tolerant.
