

# SPIREA

## **Alpine (Daphne)**

*Spiraea japonica 'Alpina'*

1-2' x 2-3'

Sun/part shade Zone 4

Dense, compact mound with pink flower clusters from June through September. Small blue-green foliage on slender branches gives the plant a fine texture. Deadhead to encourage prolific reblooming.

## **Anthony Waterer**

*Spiraea x bumalda 'Anthony Waterer'*

2-4' x 3-5'

Sun/part shade Zone 4

Mounded, upright growth habit with rosy pink flowers from June until September. Attractive new growth is a reddish-purple that turns blue-green in the summer and red to bronze in fall. Deadhead for better reblooms.

## **Double Play® Blue Kazoo™**

*Spiraea media 'Blue Kazoo'* PP 26,665

2-3' x 2-3'

Sun/part shade Zone 3

Its cool blue-green foliage has burgundy new growth and red fall color. In early summer, very large white flower clusters appear and rebloom mid-summer. It maintains a neat, mounded form. Low maintenance and typically unbothered by deer.

## **Double Play® Candy Corn™**

*Spiraea japonica 'NCSX1'* PP 28,313

1.5-2' x 1.5-2'

Sun/part shade Zone 3

Low mound with bright red new growth that turns gold and yellow with orange highlights as it matures. Red-violet flowers in spring and summer don't need to be deadheaded. Low maintenance.

## **Double Play® Doozie™**

*Spiraea japonica 'NCSX2'* PP 30,953

2-3' x 2-3'

Sun/part shade Zone 3

Perpetual blooms of red-pink flowers cover the rounded form. Spring foliage emerges brilliant red before changing to green. It produces no seed heads (non-invasive) and requires no pruning or dead-heading.

## **Glow Girl™ Tor**

*Spiraea betulifolia 'TorGold'*

3-4' x 3-4'

Sun/part shade Zone 3

Buds with hints of red in them open to white spring flowers on a compact, rounded form. Lemon-lime to gold spring foliage turns orange in fall and doesn't burn out in the peak of summer.

## **Goldflame**

*Spiraea x bumalda 'Goldflame'*

2-3' x 3-4'

Full Sun

Zone 4

Bronzy-orange new growth in the spring matures to soft yellow-green and turns coppery-orange in the fall. Rose-pink flowers top the low mounded shrub from June to September.

## **Goldmound**

*Spiraea x 'Goldmound'*

1.5-2' x 2-3'

Full Sun

Zone 4

Low bushy mound of vibrant golden spring foliage cools to a yellowish green in summer then turns a rich, yellowish orange in fall. Pink flowers bloom in spring and will repeat throughout the summer if deadheaded.

## **Japanese White**

*Spiraea albiflora*

2-3' x 2-3'

Sun/part shade

Zone 3

Rich green leaves form a neat, rounded shrub and provide an ideal backdrop for the pure white flowers. The flat topped flower clusters will rebloom from June to August. Does best in acidic soil.

## **Little Princess**

*Spiraea japonica 'Little Princess'*

2-3' x 3'

Sun/part shade

Zone 4

Dense low mound of fine textured, mint green foliage turns dark red in fall and is covered in dainty clusters of soft pink blooms all summer.

## **Magic Carpet**

*Spiraea japonica 'Walburna'*

1.5-2' x 1.5-2'

Full Sun

Zone 3

New growth emerges red in spring and matures into golden, red-tipped foliage on this compact, mounded spirea. Deep pink flowers bloom all summer. Foliage takes on russet tones in the fall.

## **Neon Flash**

*Spiraea japonica 'Neon Flash'*

3' x 3-5'

Sun/part shade

Zone 4

Dense, broad rounded form with purple tinged new growth turns green in summer and dark burgundy in autumn. Bright red flower clusters bloom throughout the growing season. Adaptable to many soil types.

# SPIREA

## **Pink Sparkler™**

*Spiraea betulifolia* 'COURISPI01' PP 27,933

3-4' x 3-4'

Sun/part shade      Zone 3

Large round pink flower-heads at the tips of its stems emerge in early spring. It reblooms in fall with smaller blushing flowers that appear up and down the stems. Fall foliage is a pinkish-burgundy hue.

EDITIONS  
SHRUBS & TREES

## **Snowmound**

*Spiraea nipponica* 'Snowmound'

3-5' x 3-5'

Full Sun      Zone 4

Upright, rounded form with graceful, spreading arching branches that display a profusion of small clusters of white flowers. The dense foliage is dark green to blue-green and yellow in the fall.

## **Superstar™**

*Spiraea x bumalda* 'Denistar' PP 22,432

2-3' x 3-4'

Full Sun      Zone 3

New leaves are scarlet turning dark green in summer and bronze in the fall. Naturally dwarf with a round, compact growth habit with minimal pruning. Pink flower clusters bloom all summer. Fast growing.

EDITIONS  
SHRUBS & TREES

## **Tor (Birchleaf)**

*Spiraea betulifolia* 'Tor'

2-3' x 2-3'

Full Sun      Zone 3

Compact, rounded form is covered with tiny white flower clusters in late spring. Dark gray-green foliage is birch-like in appearance and turns a beautiful purple-red in the fall.

## **Vanhoutte Renaissance**

*Spiraea x vanhouttei* 'Renaissance'

5-7' x 6-8'

Sun/part shade      Zone 3

Vase-shaped growth habit with arching boughs of stunning, snow white flowers in mid to late spring. Blue-green foliage turns orange-red in the fall and is disease resistant.
