

MAGNOLIA

Ann

Magnolia × 'Ann'

8-10' x 10'

Full Sun

Zone 4

Compact and shrubby with a somewhat open habit. Lightly scented reddish-purple flowers emerge from beautiful, tapered buds later in spring making it less apt to suffer frost damage. Green leaves turn yellow in fall.

Centennial Blush™

Magnolia stellata 'Centennial Blush' PP 22,248

12' x 12'

Full sun

Zone 4

Upright form with interesting branch structure. Prolific pink buds open to fragrant, pale pink flowers in spring. Attractive green foliage turns yellow to bronze in fall. Prefers rich, moist, well-drained soil.

SHRUBS & TREES

Elizabeth

Magnolia × 'Elizabeth'

25-35' x 12-20'

Full Sun

Zone 4/5

Tapered, tulip-shaped buds open to large, fragrant, primrose-yellow blooms in spring. It has a neat, upright, pyramidal form with large, dark green leaves. May require protection from late frost, as it could damage the flowers.

Merrill

Magnolia × *lobneri* 'Merrill'

25-35' x 20-30'

Full sun

Zone 4

Upright, oval to round crown and dense branching habit with large, starry white flowers in early spring. Foliage emerges bronzy green maturing to deep green. Best in moist, organically rich, well-drained soil.

Royal Star

Magnolia stellata 'Royal Star'

8-10' x 8-10'

Sun/part shade

Zone 4

Densely branched with an upright, rounded form. Pink buds open to double white fragrant flowers in spring. Dark green foliage changes to yellow-bronze in fall. Blooms later making it less susceptible to frost damage.
