

Aquilegia (Columbine)

Location: Zone 3, sun to shade, moist, well-drained soil

Shape: Graceful, elegant clump or mound

Foliage: Green, lacy

Flowers: Spring

Notes: Distinguished by leaflets arranged in groups of two or three and unique spurred flowers that are highly attractive to hummingbirds. Uses include rock gardens, shady borders or masses along walks or drives.

Earlybird™ Blue & White • *Aquilegia x hybrida* 'Earlybird™ Blue White'

10-12" x 10-12" Part sun/shade Zone 3

Upward-facing, deep blue and white flowers bloom from May to June on a dwarf mound of lacy green foliage.

Kirigami™ Deep Blue & White • *Aquilegia caerulea* 'Kirigami™ Deep Blue & White'

22-24" x 16-20" Part sun/shade Zone 4

Large, upward-facing flowers have a mixture of dark indigo blue and white shades creating a mound of color in late spring/early summer. Grows best in moderate to moist soil. Rabbit resistant.
