

Rhododendron

Aglo • *Rhododendron 'Aglo'*

3-4' x 3-4' Sun/shade Zone 4

Lightly fragrant, rose-pink flowers cover the compact, rounded shrub in May. Small, dark green foliage turns copper in fall and retains its leaves through the winter. Prefers well-drained, acidic soil.

Nova Zembla • *Rhododendron x 'Nova Zembla'*

5-6' x 5-6' Part sun Zone 4

Bright red flowers with darker spots grow up to 5" in size and are loved by butterflies and hummingbirds. Large dark green leaves are thick and glossy. Cold hardy, heat tolerant and versatile. Prefers rich, well-drained, acidic soil.

PJM • *Rhododendron 'PJM'*

4-5' x 4-6' Sun/shade Zone 4

Masses of mauve flowers bloom in spring on a rounded form. An evergreen with glossy green foliage throughout the growing season, changing to a mahogany-purple in the fall. Does best in moist, acidic, well-drained soil.

PJM Compact • *Rhododendron 'PJM Compact'*

3-4' x 3-4' Part sun Zone 4

More compact, uniform habit, and larger lavender-pink blooms than PJM. Dark green foliage turns mahogany in fall and is retained all winter. Slow growing and long lived. Prefers well-drained, acidic soil.

PJM Elite • *Rhododendron 'PJM Elite'*

4-5' x 3-5' Part sun Zone 4

A rounded, compact flowering evergreen with clusters of vibrant lavender-pink flowers in spring. The dark green foliage turns red-purple in the winter. Performs best in acidic, well-drained soil.

Purple Gem • *Rhododendron 'Purple Gem'*

18-24" x 18-24" Sun/part shade Zone 4

Dense growing, dwarf evergreen shrub valued for its purplish blue flowers and azalea-like foliage. Slow growing, it stays tight and mounded without shearing. Best in acidic, well-drained soil with winter wind protection.
