

Sedum (Stonecrop)

Location: Zone 3-4, sun, well-drained soil

Shape: Upright or mounded

Foliage: Green to deep purple

Flowers: Fall

Notes: Plants have fleshy, succulent leaves with star-shaped flower clusters. Low-growing types are perfect for rock gardens, while taller varieties thrive in perennial borders. Attracts bees and butterflies.

Atlantis™ • *Sedum takesimense* 'Nonsitnal' PP 27,454

4-6" x 10-12" Full sun Zone 4

Low growing clump of variegated foliage. Leaves are dark green with creamy-yellow margins. Yellow flowers bloom from July through September.

Autumn Fire • *Sedum spectabile* 'Autumn Fire'

24" x 18-24" Full sun Zone 3

Improved form of 'Autumn Joy' that has larger flower heads and is longer blooming. The flat heads of rose-pink flowers appear in late summer. Drought tolerant.

Autumn Joy • *Sedum* 'Herbstfreude'

18" x 18" Full Sun Zone 3

Pink flowers bloom from August through September and turn a rusty bronze color as they age. Gray-green succulent foliage has an upright habit. Heat and drought tolerant.

Class Act • *Sedum* 'Class Act'

14-18" x 12-16" Full Sun Zone 4

Full heads of stunning rose-pink flowers adorn this compact, upright sedum from July through August. Sturdy, dark pink stems bear succulent green foliage. Well-drained soil.

Dazzleberry • *Sedum* 'Dazzleberry'

6-8" x 18" Sun/part shade Zone 4

Bright raspberry pink flowers bloom in July and August. Compact, low growing variety with smoky blue-gray foliage that turns purple as it ages. Prefers well-drained soil.

Sedum (Stonecrop)

Dream Dazzler • *Sedum* × '*Dream Dazzler*' PP 31,227

8-12" x 15-18" Full sun Zone 3

Mounds of deep purple foliage with hot pink margins and magenta pink flowers from August through September. Drought tolerant.

Firecracker • *Sedum* '*Firecracker*' PP 26,595

6-8" x 18" Sun/part shade Zone 4

Burgundy red foliage opens with a hint of mint green and is topped with pink flowers from August through September. Forms a low growing mat. Drought tolerant.

Frosted Fire • *Sedum* '*Frosted Fire*'

12-15" x 18" Full Sun Zone 3

Variegated leaves are light green with creamy yellow, serrated margins and form a dense mound. Rosy pink flower clusters bloom from August to September. Drought tolerant.

Kay's Little Joy • *Sedum* × '*Kay's Little Joy*'

8-10" x 10-12" Full Sun Zone 4

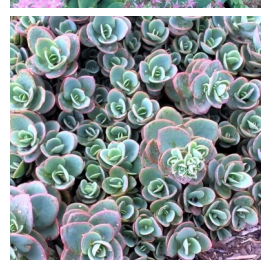

Light gray green foliage is shorter, forming a compact mound topped with soft pink flowers from July through September. Very disease-resistant and drought tolerant.

Lime Zinger • *Sedum* '*Lime Zinger*' PP 24,632

4-6" x 18" Full Sun Zone 4

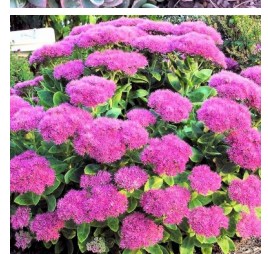

Large pink flower clusters bloom in August and September. Apple green foliage has a red edge and forms a compact mat. Drought tolerant.

Neon • *Sedum spectabile* '*Neon*'

24" x 12-15" Sun/part shade Zone 3

Bright rose flower clusters bloom from August to September and attracts bees and butterflies. Large green succulent foliage has an upright habit. Drought tolerant.

Night Embers • *Sedum* '*Night Embers*' PP 29,211

24-26" x 24-26" Sun/part shade Zone 3

Dark, purple-black succulent foliage is topped with mauve-pink flower clusters from August through September. Has an upright, vase-shaped form. Drought tolerant.
