

Sempervivum (Hens and Chicks)

Black

Sempervivum 'Black'

H: 4-6" W: 6-12"

Sun/light shade

ZONE 3

Bright green foliage with dark burgundy tips that darken to purplish-bronze in fall. Starry, white flowers on thick stalks in summer. A drought tolerant, mat-forming groundcover.

Ruby Heart

Sempervivum 'Ruby Heart'

H: 3-4" W: 8-10"

Sun/light shade

ZONE 3

Rosettes of sharply pointed, silvery blue/blue-green leaves are rosy red at the base. Purple-pink flowers are held aloft on short, leafy stalks in mid-summer. Drought tolerant.
